

ORDERING GUIDE

Order Instructions:

1. Each box has a color and number, which corresponds to handle options below. Please review each option, as this will help you with choosing your part number. (Refer to our technical guides for more information on product options)
2. If a desired handle option is not available contact a sales representative to discuss if there are alternative solutions for your application.
3. Enter your configured part number in the empty boxes provided below and contact a friendly Sure Grip sales representative to place your order.
